COMMENTS ON NOTICE OF ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability mailed September 23, 2004, indicates that none of the certified copies of the priority documents have been received by the U.S. PTO.

In Applicants' Amendment filed on July 22, 2004, Applicants' attorney indicated that Applicants would re-order and re-submit certified copies of the priority documents. However, since then, Applicants' attorney has checked the public PAIR website, and has verified that, according to the U.S. Patent and Trademark Office's own records, certified copies of the priority documents have, in fact, been received by the U.S. PTO. Two of these documents were printed and are provided herewith as exhibits. A copy of Applicants' transmittal of the certified copies of the priority documents that is stamped to show receipt by the PTO on February 2, 2004 is transmitted herewith as Exhibit "A". A copy of the PTO's "Artifact Sheet" showing that the three priority documents were received, but not scanned, which was docketed in public PAIR on February 2, 2004, is transmitted herewith as Exhibit "B".

In view of the foregoing, it is clear that the certified copies of the priority documents have been received by the U.S. PTO. It is respectfully requested the Examiner acknowledge in a Supplemental Notice of Allowability, that certified copies of the priority documents have been received by the U.S. PTO.

Respectfully submitted,
PETER ROBERT FOLEY, ET AL.
